

## MURRUMBATEMAN ISSUES FOR CONSIDERATION IN THE 2008/09 MANAGEMENT PLAN

ISSUES RAISED 2008 MEETING	
1	Improve communications and understanding between YVC and MPA.
2	Develop and maintain multi-purpose linkages (corridors) throughout the village and its environs as combination recreation trails, greenbelts and open spaces.
3	Investigate and action ways to improve our community health services.
4	Install a multi-purpose netball/basketball court in the village.
5	Extend our local library hours to at least 3 half day sessions per week.
6	Investigate a Multipurpose Murrumbateman Community Centre: combining an Art gallery, Tourist centre, Heritage centre, and Cultural centre.
7	Investigate a <b>short-stay</b> caravan park site adjacent to Murrumbateman Rec Ground.
8	Improve road safety regarding: illegal driving around the wrong way at South Street /McIntosh roundabout warning signs for vehicular traffic regarding horses and riders at and along Vallance Drive
9	Update the village civic guide at Jones Park and place "Village Centre" directional signs as needed.
10	Investigate, repair and maintain the McIntosh walking track to facilitate mowing and also investigate the feasibility of low level native plantings close to the road.
11	Provide a suitable public car park near the village centre.
12	Encourage private development which is in keeping with the village atmosphere and includes any of the following: bakery, doctor, farmer's market, small supermarket, ATM, pharmacy.

**MURRUMBATEMAN  
ISSUES FOR CONSIDERATION IN THE  
2008/09 MANAGEMENT PLAN**

<b>ISSUES RAISED 2008 MEETING</b>	
13	New Table requested for Jones Park (investigate potential of providing in 2007/08)
14	Monitor speeds in Hercules near Camp Street
15	Monitor speed in South & West Streets prior to Traffic Calming in South St
16	Safe highway crossing in the Village
17	Identify location for carparking site
18	Place issues raised on web-page in village section
19	New playground in West Street
20	Request for speeding data to be placed on web-page if possible (alternatively provide to MPA)
21	Cyclepath – McIntosh Circuit – request for mowing maintenance
22	Murrumbateman Rd – speed an issue in 70kph zone (when road widening what will speed limit be?). Traffic counters on crest of hill (Dundoos)
23	Include Murrumbateman entrance signs in grass cutting programme – look at putting into current contract
24	Investigate legal issues for general public using community title riding trails in Dundoos
25	Request for explanation on s94 contributions – collection and spent
26	Request for article explaining who would pay for the raising of the Yass Dam wall
