

SUTTON ISSUES FOR CONSIDERATION IN THE 2008/09 MANAGEMENT PLAN

ISSUES RAISED 2008 MEETING	
1	RoW Victoria / Bywong Streets – investigate changing priority to MR52 (Traffic Committee)
2	Off-leash dog exercise area requested for Sutton – possibly Bob Collis Reserve
3	Victoria Street East– investigate dangerous bends, trees and resheeting
4	Bitumen sealing of remaining unsealed roads (SDCA to forward priorities)
6	Gravel half way down Victoria Street and remove trees (immediately in front of Hardy’s house)
7	Overhanging branches on East Tallagandra Lane – to be investigated
8	Dangerous section on Tallagandra – safety issue through treed section (unfenced part 1 -1.5km north of Mulligan’s Flat Road) – investigate relocation of about 800m of road
9	Bitumen sealing of Tallagandra Lane - undertake analysis & traffic counts to establish priority
10	Improvements to main surface of Sutton Road (just north of East Tallagandra Lane)
11	Investigate 80kph Speed limit on sealed section of Mulligan’s Flat Road and signage for curves near ACT
12	E. Nicholii on Majura Lane before Bywong Street – obstructing vision

SUTTON ISSUES FOR CONSIDERATION IN THE 2008/09 MANAGEMENT PLAN

ISSUES RAISED 2008 MEETING	
13	Yellow segment markers along Mulligan's Flat Road do not match rural addressing
14	Request for village tree planting plan – SDCA to liaise with Council
15	Continued Hall improvements remains a focus for the Community
16	Items identified in the Hall Precinct Master plan
17	Water damage to Hall rectified – liaison with hall Committee
18	Valley Views – consider distribution with the Sutton Chatter
