

ISSUES RAISED 2008 MEETING	
1	Investigate dangerous trees from the Black Range junction on Burrinjuck Road to Burrinjuck village (“Fairview” to “Waterview”)
2	Garbage run by tip operator as required at Bookham Cricket Ground (social activities at rec ground every Friday evening); Install one recyclable bin (glass) and one garbage bin at rec ground – to be collected by tip operator (Sunday morning preferably)
3	Install Give Way sign at intersection of Fagan Drive and highway exit near rest area (put to Traffic Committee)
4	Investigate dangerous trees (and possible removal) on Childowla Road and general clean-up of fallen timber on roadside
5	Investigate timber bridge to allow heavier vehicles on Illalong Road near Mylora
6	Upgrade Illalong Road to allow heavy vehicles (semi trailers)
7	Acceleration lane onto Hume Highway (Traffic Committee) – issues departing Bookham southbound

ISSUES RAISED 2008 MEETING

ISSUES RAISED 2008 MEETING	
8	General tidiness of village – landowners encroaching onto public areas (Fagan Drive)
9	Limited access across Murrumbidgee River in case of fire emergencies (community to suggest possible access site for crossing)
10	Funding for disabled toilet at hall? Contact Cathy Campbell to investigate grant opportunities
11	Investigate current noxious weeds management program
12	Investigate work practices which facilitate the spread of weeds (roadside slashing, drain maintenance)
