

## 9 Heritage

One hundred and seventeen places in Yass Valley Council Area are currently listed on various heritage registers, the majority of them of cultural or historic significance. As part of the preparation for a new LEP, Council has identified a number of heritage buildings and places for future gazettal.

Figure 9.1 shows the location of these heritage items.

Table 9.1 lists those heritage items that are listed on the State Heritage Register.

## 9.1 Issues arising

Issues from this section relevant to planning in the Yass Valley Council local government area are as follows:

- There are a number of items of environmental heritage within the Yass Valley. Only a small proportion of these are currently protected by a statutory heritage listing.
