

Leak Notification Form

Underground Petroleum Storage Systems (UPSS)

yass valley council

the country the people

Notification of a pollution incident to the relevant authority under Part 5.7 of the *Protection of the Environment Operations Act 1997* (POEO Act)

On 1 September 2019, local councils reassumed responsibility for regulating privately owned UPSS.

The person responsible for the UPSS must, immediately after becoming aware of a pollution incident, notify the relevant authority. Where the notification was verbal, a written notification using this form must be submitted within seven days. The person responsible is the person who has management and control of the UPSS.

This form should be completed where at least one of the following scenarios apply to the UPSS site (tick where appropriate):

- A leak from a UPSS, verified in accordance with loss detection or incident management procedures, that is causing or threatens material harm to human health or the environment.
- There is evidence on the site of free-phase hydrocarbons in surface water and/or groundwater.
- There is evidence that offsite migration of hydrocarbons could occur, is occurring, or has occurred.**

Section A: UPSS site details

Site name (or name of business):

ABN/ACN (if applicable):

Local Government Area (Council):

Lot and DP Number:

Street address:

Nature of activity at the site:

Environment Protection Licence number (if applicable):

Dangerous Goods Licence/Notification Number and date of expiry (if applicable):

Section B: Details of the incident (Attach additional papers if necessary)

Date incident occurred or leak identified:

Duration of incident (or date leak stopped):

Nature of incident:
