

Application for Skin Penetration Activity

In accordance with the *Public Health Act 2010* and the *Public Health Regulation 2022*:

The occupier of premises where skin penetration procedures are carried out must notify local council before performing any skin penetration procedures at the premises. Council must be notified within 7 days of any change of particulars. Council is required to keep a register of premises in the local government authority's area at which skin penetration procedures are carried out. This register must be made available for inspection by NSW Health. There is a \$100 fee associated with this notification. An invoice for this fee will be sent once the notification has been received.

Following completion, this form can be lodged via email: council@yass.nsw.gov.au or in person at 209 Comur Street, Yass.
